## **PARKING PERMITS ARE REQUIRED FOR ALL VEHICLES ON CAMPUS, FROM SEPTEMBER - APRIL**

The College expects strict compliance with the state, city, county and campus traffic rules and regulations from all students, faculty, staff and visitors. These traffic rules and regulations are issued under authority of Colorado Revised Statutes 23-5-107.

- Students, faculty, and staff may [purchase permits online](#), or Police & Parking Services in Aspen Hall across from the Physical Plant, north end of campus, south of the golf course
- Faculty and staff are notified in August regarding the payroll deduction parking permit option.
- Purchase a permit and display it inside the lower left- or right-hand corner of your windshield, fully visible, to avoid a \$30.00 fine for No Permit, or a \$15.00 fine for Improper Display.
- Permits may be transferred between cars in the same family's household, but may not be transferred or sold from person to person.
- If one has multiple vehicles, each permit is full price.
- Permit holders are responsible for citations incurred by vehicles displaying their permit.
- The registered owner of a vehicle can be held responsible for parking fines even if they are not driving the vehicle.
- Your permit is valuable; after you purchase your permit, you are responsible for its safekeeping. If you are in an accident, your car is sold, your windshield replaced, etc. you must remove your permit and put it on your next vehicle or on your new windshield.
- The College is not responsible for lost or stolen decals; however, a prompt report to Fort Lewis College Police may result in the recovery and return of property
- Permits may be purchased in advance of deadlines, and are also available throughout the year. Plan on purchasing a permit prior to deadlines, or before bringing a vehicle to campus.
- The deadline for displaying permits on vehicles parked on campus is Monday at 8:00 am, one week (7 days) after the first day of class for the Fall and Winter terms.
- Vehicles in metered spaces must pay for metered parking, even if a valid permit is displayed
- Parking lots and parking permits are designated as “Commuter” or “Residential.” These designations are shown on the [campus map](#), and there are corresponding signs in the parking lots. The fine will be \$30 for a commuter parking in a residential space or a resident parking in a commuter space.
- Commuter parking lots are designated as no overnight parking. Please call Campus Police & Parking if you must leave a vehicle overnight.
- Visitor spaces are for visitors' vehicles only - not for students, faculty or staff
